

Mission Statement

From as far north as Berowra, Emu Plains to the west, Heathcote to the south and Bondi to the east, the mission is to empower all grassroots sporting clubs to flourish in their respective fields.

Promote every club to the fullest of their potential and to inspire every child and adult alike to participate in sports.

A social media site exclusive to grassroots sports to share information relating to every club and their chosen sporting code in the same spectrum.

Planet Sports Hub, The Home of Grassroots sports!!!
